Hola!

Welcome to our little cantina on the Noosa River. While we're not exactly an authentic Mexican restaurant, our menu is inspired by the coastlines of Mexico and Australia. Our Chefs (and bartenders!) love cooking on fire and getting creative, especially with the bounty of ingredients available to them from some of the Sunny Coasts best producers. Have a chat with one of our friendly team for a personalised recommendation or two, and a guide on some of the spicy items. Sit back with a margarita, relax, and let us take you on a modern Mexican culinary journey.
